Subject: [] Fraud, Forgery, Concealing a Crime

Aaron,

I have now been ignored for 3 years while all the parties above have tried to conceal a crime to protect a dirty realtor and Escrow Agent. Not one person was willing to do the right thing, even when provided with an abundance of evidence, audio files, and text messages. I want everyone involved prosecuted to the fullest extent of the law. I also submitted 65 exhibits (301) pages to the judge in which she removed after trial from the trial binder, I have reported her to the Judicial Board as well, but the envelope is still in odyssey efile. It will not let me attach more evidence, so I can bring it all to your office. If I committed this crime, I would have been thrown in jail in minutes, so this white collar crime should be no different, they all deserve to go to jail and restitution they have put me through doing this to me a month after I lost my only child. I have over \$100k in losses behind one quit claim that was forged. Please find the attached Letter of Opinion from the Forensic Handwriting Expert.

Subject: Lis Pendens

Debbie Conway is now denying my right to retain my home. Here is the information she refused to hear and here is all of our email communications. She is corrupt and I will not allow her and Rena Hughes to force me out of my home and leave me homeless. The home was obtained through fraud and Bobby Antee has no interest. I do not know why Debbie Conway would get involved and try to steal my home, but she needs to be stopped and they both need to be removed from office. I am now in fear of my life, no one will do anything to stop these people. She then had Carlos Goodin call me and tell me that they will not file any of my docs, they will not tell me who their attorney is, and they committing fraud. This is a major Mortgage Fraud crime ring and it needs to stop and someone needs to intervene. I am now handling my own cases in civil court because no lawyer will help me or get involved in the fraud of this situation. Someone please intervene before I get hurt.

Here again are statements from Linda Naw and Bobby antee that I wasnt at the title company and closing was held without me, just making sure you have everything before i file my lawsuit You have 3 days to issue payment as I have also shared with your supervisor on a recorded call. If I do not receive notification of the bond being paid out in 3 days i will fil a lawsuit against you liberty mutual and your boss fake lawyer. you can also see the legal malpractice as Shumway van cannot litigate two cases over the same issue for exactly this reason. Start making good decisions
